EDUCATION

•National Institute of Technology, Patna

BTech - CGPA - 8

Patna, Bihar

2021- 2025

EXPERIENCE

Smallfare

Frontend Developer Intern

Jan 2025 - Apr 2025

Remote

- Improved operational visibility by building a dynamic organizer dashboard integrated with real-time data.
- Increased user engagement and retention by designing and launching an organizer-focused landing page.
- Reduced organizer setup time by 30% by streamlining onboarding through a self-registration feature.

MedTourEasy

Trainee

May 2023 - Jul 2023

Remote

- Completed training program on the fundamentals of **machine learning**.
- Developed proficiency in using Python libraries such as NumPy, Pandas, and Matplotlib for data manipulation and visualization.

PROJECTS

MERN AI Chatbot

Github

Link

July 2024

- Developed an AI chatbot using the MERN stack, enhancing real-time interaction and task automation.
- Integrated OpenAI API, managing 10,000+ queries/day with 95% response accuracy
- Designed a responsive UI with React.js, Redux.js, improving load speed by 25%

Decentralized Carpooling Application

Github

Link

June 2024

- Built a **decentralized carpooling app** using Ethereum smart contracts in Remix IDE, enabling secure peer-to-peer ride-sharing.
- Cut operational costs by **30%** by removing intermediaries and processing **100+ transactions/second** on a local Ganache blockchain.
- Ensured **100% data integrity** with immutable blockchain records.
